

Climate Change...

What can I do?

Plant vegetables.

Live with intent.

Clean up a stream.

Drink more water.

Understand animals.

Weed your garden.

Spend time with your family.

Care for each other.

Observe nature.

Live simply. Care for the Earth.

Make compost.

Mimic nature.

Water a tree.

Be political.

Believe in us all.

It's so Simple!

Grow plants.

Touch soil.

Be respected.

Play with kids.

Talk to people.

Listen! Watch!

Savour each moment.

Go easy on water.

Plant trees.

Give things away.

Help the elderly.

Say sorry to people.

Talk to your neighbour.

Build your community.

Join a group of others who care.

Eat more vegetarian protein.

Love the Earth. Say thank you.

Show you care.

Form a community group.

Believe in yourself.

Be gentle with children.

Plant more trees.

Eat less sugar. Respect every person.

Plant a garden at your school.

Enjoy the Earth as this is our Paradise.
